**REPORT OF TRANSITIONAL CURRICULUM**

As per guidelines from Central Council of Indian Medicine a Transitional Curriculum was designed for the FYBAMS batch admitted year 2020-21. This was a 15 day induction program including 90 hours teaching and learning. This course was asked to be implemented by each Ayurveda College.

This course was implemented by our institute and as per guidelines the detailed schedule with information of date, time, topic and name of speaker was sent to all students in advance. This course began on 16<sup>th</sup> March 2021. An Inaugural Function was arranged to welcome Students and Parents. This Function was conducted by Dr. Rajesh Kolarkar sir. All teachers of FYBAMS and Vice Principal attended the inaugural function. Then separately two meetings were conducted for students and parents by college administration. This session was conducted by Dadaso Jadhav sir. All important information and instructions regarding functioning was given by him.

Parent Teacher Coordination Committee also conducted separate meetings for parents and students by Dr. Minal Vaidya, Vd. Ninad Sathe & Vd. Manoj Jagtap.

Considering the current scenario of Covid 19 all precautions were taken as per government guidelines. Proper sanitization was done regularly. All students were seated in Auditorium, single student on each bench maintaining social distance from each other.

Date : \_\_\_\_\_

As per attached schedule all lectures were conducted by speakers. Interactive sessions were taken. Use of Audio Visual aids and Powerpoint presentations was done during lectures.

Visits to various departments of college were arranged for students. College Pharmacy and Panchkarma Centre were visited by students. Syllabuses of concerned subjects were explained by concerned Head of Departments.

Eminent speakers from Ayurveda were invited to deliver lecture to these students. Motivational lectures were delivered by reputed ayurveda practitioners. All speakers were given certificate from college as a token of gratitude.

In the end feedback was taken from students in the form of Google Forms. Detailed analysis of feedback was done. This event was photographed using Geo tagging. The few photos of event are attached herewith.

Kindly accept this report and do the needful.
