MAHARASHTRA UNIVERSITY OF HEALTH SCIENCES (MUHS), NASHIK

The state Government of Maharashtra has established and incorporated an independent University of the health Sciences for the purposes of ensuring proper and systematic instruction, teaching, training and research in modern medicine and Indian system of medicine in the State of Maharashtra and to have balanced growth in the medical sciences so also in uniformity in various courses in medical faculty in the State, and to provide for matters connected therewith and incidental thereto.

It was with this objective the Maharashtra University of Health Sciences was established in Nashik city of Maharashtra State on 03rd June 1998 by promulgating the Maharashtra University of Health Sciences Act, 1998. However since inception, the foundation is celabrated on 10th June, every year. Initially, the University was functional at Gangapur Road, Nashik. In 2004 University headquarters shifted to Mhasrul, Dindori Road, Nashik at its own building.

The Maharashtra University of Health Sciences (MUHS) is guided by a strategic agenda providing right direction to the health science education in the State. Its consistency of purpose, its goal and mission will no doubt help health science education and thus health & education services to reach a high level of elevation.

The University shall be both, a teaching and an affiliating University.
